

EDSON MUTRAN

LIDERANÇA DE DESIGN / UX DESIGNER / WEB DESIGNER

ABOUT ME

I'm a Designer with over 13 years of experience, holding a degree in Advertising & Marketing, along with a postgraduate degree in Graphic Design. I'm also passionate about all things digital. I have worked on a wide range of graphic projects, both online and offline. I make graphic and digital projects more effective, inclusive, and impactful. I address user needs by aligning Design with Engineering, Product, and Data.

WORK EXPERIENCE

2019-2023

CREATIVE COORDINATOR Empiricus - São Paulo/SP - BR

- Active participation in the rebranding of the Empiricus group, including all its aspects;
- Team recruitment and integration, training professionals through mentoring practices that aim to develop a posture of self-responsibility, communication and organization;
- Identify and provide new Design tools that enable Designers to perform better in their daily activities;
- Understand where restrictions, reworks and misalignments are, establishing and reviewing processes and other work documentation. Make the work dynamics flow, improving the speed and quality of Design in the company;
- Directing Designers to obtain better results through metrics that demonstrate the results of Design initiatives for Designers and Managers;
- Participation in the ceremonies (daily meeting, planning and retrospective) seeking to identify opportunities for improvement regarding communication, processes and design tools.
